**MURDER BRINGS WALL STREET TO MAIN STREET IN *BLOODY SUNSET*  
Peter McGarvey's Latest Mystery Explodes Like Fireworks on the 4th of July**

After barely surviving her last case, Detective Molly Parsons of the Sunset Sheriff's Department is looking forward to nothing more than kicking back and enjoying the holiday weekend. Unfortunately, a killer has other plans. Although Howard Lane was a cheat and an embezzler, it didn't mean he deserved to be chopped up with a meat cleaver. Along with a homicide to solve, she also has to babysit Wall Street's most notorious fraud artist. What she doesn't know is that he is being stalked by a righteous trio of self-styled avengers of crimes against the economy who will stop at nothing to reap their vengeance.

TORONTO, ON – July 14, 2014 – Cliff House Publishing has just released Peter McGarvey's third novel, *Bloody Sunset*, the second book in the MOLLY PARSONS MYSTERIES series, is now available in bookstores and at online retailers. McGarvey's first novel, *Dark Sunset*, introduced Detective Molly Parsons, a small town police detective with a haunted past.

Although he only started writing fiction in 2012, McGarvey has already proven to be a prolific author, with five completed novels and another underway. The Rip & Wilma Hits, featuring a 'likeable' pair of contract killers, was launched last year with *Hair Trigger*, and will be followed by *Double Tap*.

*"... McGarvey's books are fast-paced, enjoyable crime novels that are better than many of the crime novels currently in print."* ~ Ray Walsh, Curious Book Shop Blogspot
